TIME FOR A TRANSFER STUDENT

SHONEN JUMP ADVANCED

Taiga Okajima

He has girls on the brain... If you want the scoop on any of the girls in Class 3-E, he's your go-to guy.

Pick-up artist!

Karma Akabane

Class E student. A quick thinker skilled at surprise attacks. Succeeded in injuring Koro Sensei a few times.

Our grades are getting better!!

Even though our midterms sucked (thanks to the principal) we still did great. Let's show Koro Sensei what we can do on the final!

Yukiko Kanzaki

The most popular girl in Class E. She and Kayano were kidnapped during the School Trip.

Irina Jelavich

A sexy assassin hired as an English teacher. She's known for using her "womanly charms" to get close to a target, but has failed to kill Koro Sensei—yet.

Tadaomi Karasuma

Member of the Ministry of Defense and the Class E students' P.E. teacher. Also in charge of managing visiting assassins.

Story Thus Far

One day, something destroyed most of the moon.

Our new teacher is a creature who plans to destroy the world...?!

Koro Tribune

May Issue

Published by: Class 3-E Newspaper Staff

A mysterious creature showed up in our junior high classroom claiming that he had attacked the moon and promising to destroy the earth next March. And then...he took over as our teacher. What the—?! Faced with a creature beyond human understanding that no army could kill, the leaders of the world had no choice but to rely on the students of Kunugigaoka Junior High, Class 3-E, to do the job. For a reward of ten million dollars... SIGN ME UP!! Will the students of the so-called End Class, filled with losers and rejects, be able to kill their target Koro Sensei by graduation...?!

Koro Sensei

A mysterious octopus-like creature whose nickname is a play on the words "Koro sensei," which means "can't be killed." He is capable of flying at Mach 20 and his versatile tentacles protect him from attacks and aid him in everyday activities.

Nobody knows why he wants to teach Class 3-E, but he has proven to be an extremely capable teacher.

Kill them with cuteness! ♥
Koro Kawaii Knife Kovers

It's to die for!

Gakuho Asano

The principal of Kunugigaoka Academy, who built this academically competitive school based on his faith in rationality and hierarchy.

Kaede Kayano

Class E student. She's the one who named Koro Sensei. Sits at the desk next to Nagisa, and they seem to get along well.

Nagisa Shiota

Class E student. Skilled at information gathering, he has been taking notes on Koro Sensei's weaknesses.

YOU'LL
NEED THESE
SPECIAL
BULLETS TO
KILL HIM...

HAVE TO
GET CLOSE
TO YOUR
TARGET.

I'M SURE

ALREADY
HEARD,
BUT THIS
TEACHER
ISN'T
HUMAN.

WE'D LIKE
YOU TO
KILL THEIR
TEACHER
DURING

SURE YOU
CAN HANDLE
THE JOB?

I DON'T

When I'm working on the graphic novel version, I have a lot of meetings with the designer—more than you'd think.

The main reason for these meetings is to make fine adjustments to the cover color.

A color that stands out at the store. A color that attracts readers. A color that looks good in the sequence the graphic novels are published in...

Even the slightest difference in color will change the impression the cover makes on a reader.

I've recently realized that simpler designs are harder.

—Yusei Matsui
